Receiving Shareholder Communications (Section 209 Notice)

Steel & Tube is no longer required under the New Zealand Companies Act and NZX Listing Rules to automatically mail Annual and Half-Year Reports unless shareholders specifically ask for them.

The reports however can be viewed and/or downloaded from the Company's website: www.steelandtube.co.nz when available. The 2009 Annual Report is now on the website and the 2010 Half-Year Report is expected to be available in March 2010.

The Company has not prepared a Concise Annual Report.

Although the reports are available electronically, shareholders still have the right to request a free copy by marking the box below and returning the completed form within 15 working days of receiving this notice. The Company will then send you the Annual Report and the Half-Year Report (when available) each year.

All shareholders will continue to receive the Notice of Meeting and Proxy Form. If you have any questions about how you receive shareholder communications, please contact Computershare Investor Services on (09) 488 8777.
